An awesome drive to freedom.

Discover a car that offers you all the style, technology and freedom that comes with owning your very own vehicle.

Substantial package.

The breathtaking Kinetic Design cues of the **FIGO's** enhanced exterior give the car a sporty and athletic appearance.

The power to get you there safely.

The two available powertrains – one petrol, one diesel – are built to deliver fuel efficiency, high performance and long-lasting durability. The FIGO comes standard with more safety features, from dual front airbags to ABS with EBD.

Boot space.

The boot offers up to 284 litres of space, and enjoy loads more space with the rear seats folded forward.

Space for your life.

The **FIGO** is extremely spacious with the added comfort of manual driver seat height adjustment on Trend models, making it a stylish and inviting interior.

Compatible with most Bluetooth®-enabled devices.

Connected mobility.

Connect your phone to your audio system with Bluetooth®, which allows for smarter ways to answer calls and switch between radio, CD/MP3 and your iPod easily.

Sporty instrument cluster.

The illuminated, sporty looking instrument panel has features from a digital odometer to an accurate distance-to-empty display for your remaining fuel.

Driving dynamics.

Every effort has gone into the **FIGO's** engineering to ensure that nothing will hinder your smooth driving experience.

Interior design.

Space, style and functionality all meet in the **FIGO's** interior design. With careful thought put into each element, from seats to stowage areas and dash to door trims, its interior is truly a space you can make your own. With an all-new seat design and new fabrics, all **FIGO** models have a striking appeal.

Colour and trim.

Choosing the colour of your **FIGO** is an opportunity to make it yours. The quality cloth trims and stylish wheels will ensure your **FIGO** looks good, all-round.

The declared fuel consumption and CO₂ emission figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006 / ECE R101: 2005). Fuel consumption and CO₂ emissions figures are used to compare different vehicle types under uniform conditions and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors including your individual driving habits, prevailing conditions and your vehicles equipment, condition and use.

Ford may subject to all applicable laws, discontinue or change features and other specifications either temporarily or permanently, which changes will be communicated to the Ford Dealer Network.
